## Prime Technology Ribbon Cutting

**Thursday, May 14, 2015 (Wayne, PA)** – Prime Technology Group, LLC, announced the unveiling of their new facility. A ribbon cutting ceremony took place to showcase the company's expansion located in Wayne, PA. CEO Sudhakar Goverdhanam welcomed guests to the event which began promptly with speakerState. Representative Warren Kampf of the 157<sup>th</sup> Legislative District. Kampf welcomed Prime Technology Group to his legislative district commending Prime for their business successes particularly in the Health Care Information Technology space.

Prime Technology Group, LLC is proud to have strong leadership combining a successful track record including being named one of the leading IT service providers in the mid-Atlantic region and recognized as one of the fastest growing companies by Inc. 500.” We are leading innovation, and continue to impact and expand our footprint serving diverse industries while transforming Health Care Systems” said, Sudhakar Goverdhanam, as he spoke to attendees at the ceremony. Additionally our commitment to revolutionize how operational systems in the Health Care space will connect and share information to benefit patient outcomes using Predictive Analytics and machine learning capabilities is who we are. The event was well attended. If you have inquiries about Prime Technology Group you can contact [info@primetgi.com](mailto:info@primetgi.com).
