## **Prime CEO Selected as Award Finalist**

***Wednesday September 4, 2015 (Wayne, PA)*** – CEO Sudhakar Goverdhanam of Prime Technology Group, LLC was recently selected as a finalist as a Marcum Innovator of the Year by Smart CEO Magazine.

Prime Technology Group, LLC is a global, technology services company with innovation at the core of our business engagements. We develop cutting-edge solutions, and carefully select the best Information Technology professionals, making them ambassadors for your business. This approach maximizes our ability to leverage our award-winning teams and put their competencies to work for you. Prime is the conduit which bridges the immediate business solutions of today to the technology advances of tomorrow.

Our vision and expertise has enabled us to seamlessly navigate the challenges of today's technologies, providing you with the appropriate technology solutions that will outlast today's trends. How do we do this? We listen to you! Our team leaders identify powerful solutions and provide the appropriate framework and infrastructure you need to unlock your organization's capabilities.

Prime develops customizable frameworks, driven by our robust R & D, which are the cornerstone of our solution offerings. Our philosophy of flexibility allows us to leverage our award-winning resources and competencies to exceed our clients' expectations while improving their bottom line.

We have successfully helped hundreds of clients in Healthcare, Insurance, Life Sciences, Banking, Financial Services, and E-commerce. Our imprint has drastically impacted client growth.

We are Prime Technology Group – we are “Bringing visions to life.”

The Marcum Innovator of the Year Award celebrates businesses in the Greater Philadelphia area that are pioneering new advancements in the fields of Biotech/Healthcare, Business Services, Manufacturing, Real Estate, and Technology while adding to the industry and vitality of Philadelphia. CEO Sudhakar Goverdhanam said, “It’s always a welcomed compliment to be featured in this regard especially along side of regional colleagues. Our employees here at Prime Technology Group are dedicated hard working individuals who consistently raise the bar, and I am very happy to be a finalist.”

Finalists will attend a dinner in November where the category winners will be announced live.
